TECHNICAL DATA

Regard PC2197

REGARD is a specially formulated cleaner, polish, and fine wood conditioner. **REGARD** has refined oils that rejuvenate dried wood finishes and enrich the surface. **REGARD** works well on finishes containing polyurethane, varnish, shellac, and laminates to help restore minor surface imperfections, maintain reflectance on high gloss finishes, and leaves a protective surface to resist hand oil, high humidity, or over dryness.

APPLICATION

Apply **REGARD** with smooth cotton pad, and rub into surface. Once surface is dry, hand buff with a clean dry terry towel. **NUVITE'S C-49** may be useful prior to use of **REGARD** for the cleaning of heavily soiled surfaces.

For best results, please consult with UPI/Nuvite technical staff for further recommendations, and application techniques.

BENEFITS

- Cleans and rejuvenates natural or finished wood, laminates, and plastics
- Gentle, effective cleaning leaving a rich glow
- Safe to plastics, rubber, and all metals

PHYSICAL CHARACTERISTICS

Test	Regard
Appearance	Off-White Viscous Liquid
pH	6.5 - 7.5
Specific Gravity	1.01

AVAILABILITY

55 Gallon(s), 5 Gallon(s), 1 Gallon(s), 1 Quart(s), 1 Pint(s)
